Subject: Thank you

Dear Rick,

Thanks very much indeed for seeing Tom and myself yesterday. It was good of you, especially after a 5:30 am start...long day for you.

I am still learning about the USA EPA processes. I was a bit lost when you said that tolerances can be released or approved before registrations. I may have totally misunderstood you. If you have 5 minutes free on Friday may I call you about this? If you still have some free time on Friday, that is.

Best wishes,

Amelia
